State of Texas

County of Lamb

My Name is Billy Jessie Baigern. I am 20 years of Age and Competent to make this Statement.

I have been in the Lamb County Jail for about 7 months. I am doing time for a simple Assault.

Jose Medrano has been in the Lamb County Jail the entire time I have been in jail this time.

Just after the trial of Jesus Ramirez, Jose Medrano and I were discussing the trial. I asked him why he lied about Jesus Ramirez during the trial. Jose just looked down and said "would you do it if you were in my shoes and they were going to give you a life ~~term~~ sentence?"

I said "No, It's none of my business." I knew when he told me what he did that he had lied on the stand.

Jose told me he was only concerned about getting a good deal and not about what happened to Jesus..
