5 Affidavit of Adam Casas

6  
7 My name is Adam Casas. I am over  
8 the age of eighteen and I am capable of  
9 making this affidavit. I have not been  
10 threatened, nor have I been promised or  
11 given anything in exchange for making  
12 this affidavit.

13  
14 I was in the Lamb County Jail  
15 when Alberto Sifuentes and Jesus Ramirez  
16 were there. I was locked up in the  
17 West tank at the Lamb County Jail with  
18 Alberto Sifuentes, a white guy named  
19 Tracy Frazier, Fernando Garcia, and a  
20 couple of other guys. David Mendoza who  
21 we called Jake was there also. Everybody  
22 there was getting onto Alberto because  
23 they thought he shot the woman at the  
24 Jolly Roger. They, we, were all getting on  
25 him and a couple of guys wanted to  
26 beat up Alberto. After a while Alberto  
27 said "fuck that bitch", that's all I ever  
28 heard him say. later on I got a visit

2 Iron an Investigator who said he was from  
3 Austin. He bragged about having shot someone  
4 and he carried a gun. I told that man  
5 what Alberto said about "fuck that bitch".  
6 The Investigator asked me if Alberto said  
7 he shot the woman. I told him I could  
8 have heard something like that and he asked  
9 me to testify that I heard. I asked him  
10 for help on my cases and he said they would.  
11 I don't know why I never testified in front  
12 of the jury. I never really heard Alberto  
13 say he shot the woman.

14  
15 I was a trustee at the Lamb County  
16 Jail a couple of times while I was locked  
17 up. I know Tracy Frazier had a cell  
18 of his own, he had a t.v., he got smokes  
19 extra food and everything. Frazier told me  
20 the D.A.'s told him if anybody harrassed  
21 him he could bust them up and they  
22 would back him.

23  
24 Joe Medrano was a trustee at the  
25 Old County Jail there in Lamb County.  
26 Medrano told me flat out that he was  
27 just going to lie on Ramirez. Joe  
28 Medrano is one sorry dude.
